*NOTE*

**BCH 100 ENROLLMENT:** Students who earn a grade lower than “B-” in BIOL 5A or CHEM 08A are strongly encouraged to complete BCH 100 during their second year of residence to better prepare themselves for BCH 110A, BCH 110B, and BCH 110C.

**MATH**-Please ensure that you follow the math pathway provided and work your way through the MATH 7 series.

**STAT 100A**-If you have received STAT048 credit, you will need to complete STAT100B in place of STAT100A to avoid duplication of credit.
Since the Biochemistry major is rigorous and highly sequential, summer session options are included to promote timely progress to degree while maintaining a manageable course load.

**NOTE**

**BCH 100 ENROLLMENT:** Students who earn a grade lower than “B-” in BIOL 5A or CHEM 08A are strongly encouraged to complete BCH 100 during their second year of residence to better prepare themselves for BCH 110A, BCH 110B, and BCH 110C.

**ORGANIC CHEMISTRY** - The CHEM 12 series has been renumbered to CHEM 08 series beginning 2017 fall.

**MATH** - A new MATH 7 series has been introduced for incoming 2017 freshman, please do not enroll in this course as a continuing student. Please continue on the current math pathway you are on.

**STAT 100A** - If you have received STAT048 credit, you will need to complete STAT100B in place of STAT100A to avoid duplication of credit.
