College of Natural and Agricultural Sciences
Undergraduate Academic Advising Center
1223 Pierce Hall · 951-827-7294

UC RIVERSIDE UNIVERSITY OF CALIFORNIA

Chemistry, B.A.

Change of Major Criteria

Students must be in Good Academic Standing at the time the Change of Major Petition is filed.
2.0 quarter, cumulative, and upper-division GPA
Grades of "C-" or better in attempted major requirements
Degree program must be completed without exceeding 216 earned units.

Freshman (0 to 44.9 earned units)

Completion of the following courses, with a grade of C– or better
CHEM001A and CHEM001L
MATH 008B or MATH009A

Sophomore (45 to 89.9 units)

Completion of the following courses, with a grade of C– or better
CHEM001A and CHEM001LA , CHEM001B and CHEM001LB, CHEM001C and CHEM001LC

MATH 008B or MATH009A, MATH009B, & MATH009C

PHYS040A or PHYS002A & PHYS02LA

Junior (90—134.9 units)

Completion of the following courses, with a grade of C– or better
CHEM001A and CHEM001LA , CHEM001B and CHEM001LB, CHEM001C and CHEM001LC
CHEM005, CHEM112A, CHEM112B, CHEM112C

MATH 008B or MATH009A, MATH009B, MATH009C, MATH010A

PHYS040A, PHYS040B, PHYS040C
or
PHYS002A, PHYS002LA, PHYS002B & PHYS002LB, PHYS002C & PHYS002LC

Senior (135 or more earned units)

Completion of the following courses, with a grade of C– or better
CHEM001A and CHEM001LA , CHEM001B and CHEM001LB, CHEM001C and CHEM001LC
CHEM005, CHEM112A, CHEM112B, CHEM112C, CHEM125, CHEM150A

MATH 008B or MATH009A, MATH009B, MATH009C, MATH010A

PHYS040A, PHYS040B, PHYS040C
or
PHYS002A, PHYS002LA, PHYS002B & PHYS002LB, PHYS002C & PHYS002LC

Note: These COM criteria are based upon the Bachelor's of Arts in Chemistry only. Please see COM criteria for Bachelor's of Science in Chemistry if student wants to pursue the B.S. in Chemistry.
