

Entomology

CHANGE OF MAJOR CRITERIA

Approved by Instruction & Student Affairs Committee—ENTOMOLOGY

Criteria for change of major to the Entomology undergraduate program

At the time of application

1. Must be in good GPA standing i.e., quarter **and** cumulative GPA at 2.0 or higher.
2. Must have earned a C- or better in life science core courses attempted and any attempted Entomology courses.
3. Additionally, students with 135 or more units must have completed Biology 5A/LA, 5B and 5C

Interested students should make an appointment with Michelle Butler, the professional academic advisor for Entomology, to review the student's academic record and to discuss the major.

Contact Ms. Butler at michelle.butler@ucr.edu, or make an appointment through AdvisorTrac <http://cnasstudent.ucr.edu/AdvisorTrac%20Index.html>
