

Entomology

CHANGE OF MAJOR CRITERIA

Approved by Instruction & Student Affairs Committee—ENTOMOLOGY

Criteria for Change of Major to the Entomology Undergraduate Program

At the time of application, you must meet the following:

1. Must be in good academic standing (i.e., major, cumulative **and** quarter GPA at 2.0 or higher).
2. Must have earned a C- or better in life science core courses attempted and any other attempted Entomology Course.
3. Additionally, student with 135 or more units must have completed Biology 5A/5LA, 5B and 5C.

Interested students should make an appointment with Kia Herron, the professional academic advisor for Entomology to review student's academic record and to discuss the major requirements.

Contact Ms. Herron at kia.herron@ucr.edu or make an appointment via AdvisorTrac at myadvising.ucr.edu.
