HERE'S WHAT'S GOING ON!

 CNAS Undergraduate Academic Advising Center

HELLO WINTER BREAK!

Now that the Fall quarter has come to an end, we head into a well-deserved break! Please note that the UCR campus will be closed during winter break, from Friday, December 22, 2023 until Tuesday, January 2, 2024. This means that academic advisors will not be available during this time. We understand that you may have questions during the break, so we recommend that you visit the Frequently Asked Questions (FAQ) section of our website: cnasstudent.ucr.edu/faqs. We've also highlighted some of the common questions that may come up for many of you below. Be sure to review this information and refer back to it during the closure. Academic advisors will return to work on Tuesday, January 2, 2024, and will begin responding to emails at that time in the order in which they were received. We hope you have a wonderful and restful winter break!
