## HERE'S WHAT'S GOING ON!

 CNAS Undergraduate Academic Advising Center

## SPRING 2024 REGISTRATION IS ALMOST HERE!

Time definitely flies! We are now at the halfway point of the winter quarter and that means two things: registration and the week 6 deadline to withdraw from a course. Spring registration will run from Feb. 12 - Mar. 6. All students are assigned a specific registration time ticket based on the number of units they've completed, so seniors register first, then juniors, etc. At this point in the quarter we also have the deadline to withdraw from a course. The course withdrawal deadline is Friday, February 16 at 12noon. Be sure to check out the Upcoming Dates & Deadlines section below for all the important dates regarding registration and more details about the withdrawal deadline. Please contact your advisor or visit us during GUAC hours for any questions you may have! Happy midterms!
