HERE'S WHAT'S GOING ON!

FALL 2024 REGISTRATION IS HERE:

Registration for Fall 2024 is already underway and this “1st pass” of enrollment will continue to run through June 11. Please note that the “2nd pass” of enrollment, which is when the 17 unit limit is lifted, takes place much later than usual for fall enrollment. The 2nd pass of enrollment for fall will start after the summer term on Sept 9 at 9am. Remember, you can always find all important registration dates on the [UCR Academic Calendar](#). We’d also like to remind you to take care of any holds you may have that could block your registration. Log in to R’Web to view any holds you may have, their description and who to contact to resolve the hold. Holds can only be cleared by the office that placed the hold. Be sure to check out the [CNAS Advising Registration page](#) for more helpful resources on registration. And don’t forget to visit our GUAC advising window for quick, general advising assistance during the busy registration period!
